

Clinical Pharmacology powered by ClinicalKey®

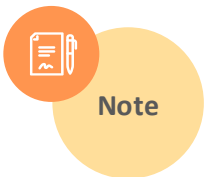

Find Manufacturer Information

Clinical Pharmacology powered by ClinicalKey offers product and contact details for hundreds of domestic and international drug manufacturers.

Manufacturer Lists

1. Visit Clinical Pharmacology powered by ClinicalKey at www.clinicalkey.com/pharmacology/.
2. Click the ellipsis under the Lists menu and select Products by Manufacturer (Fig. 1).
3. Find your desired manufacturer by scrolling or using the alphabetical list.

Note

All manufacturer information can also be found through a simple search.

4. Review the company's contact details and discover the full listing of its products (on and off market) (Fig. 2).
5. Select a product link to be redirected to its drug monograph.
