

Meet Arousal Serum

- Vegan & Cruelty-free
- Safe to use with sex toys and condoms
- Oral-Friendly
- Does not dry out vaginal tissue
- Mess-free application
- Free of glycerin, parabens, gluten, and hormones

Shelf Life: 24 months after opening

pH: ~4

How to Use

Apply 1 to 2 drops to your finger, then massage directly onto the clitoris. Feel a warm, tingly sensation within seconds. Repeat as desired. Arousal Serum can also be used on nipples, ear lobes, lips, and the vulva.

We recommend applying the serum conservatively, as each individual has unique and personal sensitivity.

Warnings

- For external use only. Not meant for internal use.
- Discontinue and consult a physician if discomfort or irritation occurs.
- Avoid contact with eyes. If the product comes in contact with eyes, flush with cool water.
- Not intended for use as a personal lubricant.
- When used correctly, this formula is safe for those trying to conceive.
- Arousal Serum has a taste that is ever-so-slightly sweet and is safe if ingested in small amounts.
