

CORPORATE SOCIAL RESPONSIBILITY (CSR) PROJECTS APPROVED BY THE BOARD
FY 2023-2024

XIAOMI TECHNOLOGY INDIA PRIVATE LIMITED (‘the Company or Xiaomi India’) is committed to undertake CSR activities in accordance with the CSR Regulations. The Company believes that corporate growth and development should be inclusive and every corporate has to be responsible and contribute towards betterment of the society that can build a national enterprise. The Company wishes to commit itself to contribute to the society in ways possible for the organization. To further the Company’s CSR philosophy, the Board has constituted “Xiaomi Technology India CSR Committee” as its core CSR team, as a means of fulfilling this commitment

The CSR Committee is a Board Committee consisting of following members:

Name	Title	Role in the Xiaomi Technology India CSR Committee
Mr. Sameer BS Rao	Director	Chairman of the Committee
Mr. Muralikrishnan B	Director	Member of the Committee

The Board of Directors of the Company based on the recommendation of the CSR Committee approved to contribute its CSR funds during financial year 2023-24 for the following Projects:

Sl.No	Name of implementing agency and project	Details of the project
1.	United Way of India - Pragati Project	To educate and transform the lives of children and youth by developing sustainable infrastructure for clean water, sanitation, hygiene covering 06 Schools of Delhi NCR & Bengaluru region. The programme will ensure in enhancing sanitation infrastructure as well as promoting hygiene education amongst youth and children. Other key objectives of the project are to facilitate behavioural change and ensure inclusivity. Overall the project aims to bridge in the gap created in education caused by the lack of good sanitation and water infrastructure by providing them decent water and sanitation infrastructure in schools.
2.	Yuvraj Singh Foundation - Swasth Mahila Swasth Bharath	To conduct low-cost breast cancer screening of 1,50,000 women in 15 States of India. Sensitizing and creating awareness on over 3,00,000 women on breast cancer thus destigmatizing breast cancer screening in India and highlighting the significance of preventative healthcare of the same. By the means of organizing community outreach events in target areas to educate women about breast cancer, its risk factors, and the importance of screenings.

		<p>Simultaneously conducting interactive sessions, workshops, and seminars to address questions and concerns related to breast health. Create awareness of the risks of breast cancer as well as educate women on self-breast examination. Ensure early detection of breast cancer and timely treatment. Enable strong partnerships with government and private stakeholders to strengthen the National Cancer Control Program in India.</p> <p>Through this project we aim to create an aware society towards preventive healthcare for women and destigmatize breast cancer screening in India by being a prime leader of the same.</p>
